Office of the Legislative Counsel

Thursday - 13 August 1959

Kenneth Mansfield on the staff of the Jackson Subcommittee on National Policy Making Machinery telephoned requesting that Agency representatives meet with the staff to go over the outline of the proposed reports on the Soviet and Chinese Communist policy making machinery. Arrangements were made to meet with them at two o'clock tomorrow. Mr. Featherstone will accompany Mr. Warner and there will be one other Agency representative.

Mansfield also brought up the question which Senator Jackson had raised earlier with the Director of the staff meeting with certain Agency people in informal discussions. In addition to the names of Amory and Bissell, Mansfield also listed Sherman Kent, William Bundy and Robert Komer. Timing and other arrangements will be discussed further with Mansfield tomorrow.
